

International Day Against Drug Abuse and Illicit Trafficking

26 June 2022

#Care In Crisis

Addressing drug challenges in health and humanitarian crises

With the 42/112 Resolution of 7th December 1987, the General Assembly decided to observe **26th June as the International Day against Drug Abuse and Illicit Trafficking** as an expression of its determination to strengthen action and cooperation to achieve the goal of an international society free of drug abuse.

Supported each year by individuals, communities, and various organizations all over the world, this global observance aims to raise awareness of the major problem that illicit drugs represent to society.

From 21th to 26th June 2022, the Association *Casa Rosetta*, which has been involved in the prevention of the use of substances in the treatment of people with substance use disorders and in all forms of addiction for 37 years, celebrates the International day against drug abuse and illicit trafficking with the theme "*Your Person at the Center*" by organizing a series of meetings addressed to young people and the local community for the promotion of a healthy and drug-free life.

The theme "*Your Person at the Center*" summarizes the commitment of Casa Rosetta: listening to young people and encouraging the process of empowerment so as to overcome frailties, the sense of emptiness and aridity, through the reinforcement of protection factors and life skills, as fundamental ingredients for the growth of the adult of tomorrow.

The *Casa Rosetta* Association, the host organization of the National Chapter of ISSUP-Italy, invites public and private social entities and organizations to share their initiatives organized on the day for the promotion of health and prevention of substance use.

Each initiative can be shared before and/or after the realization of the event.

To join the initiative, it is necessary to register on the ISSUP-Italy website; fill in the "#Care In Crisis" format and send the documentation to the following email: e-mail: issup-italy@casarosetta.it

Take part in the world day against drug abuse, become a member of ISSUP-Italy [here](#) and share your initiative.
